Title: A Method To Treat Water With Dissolved Gas

Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir,

In response to the Office Action mailed 05/07/2007, please consider as follows:

The following starting at p.2 Listing of Claims will replace the prior version of Claims in the Application. The examiner pointed that within a Claim1, section "b" (formerly section "i") a newly added phrase should be underlined and a deleted phrase should be marked by a strikethrough.

Because in the Reply from December, 2006 the words of this new phrase were inserted into a paragraph altogether with a strikethrough of other words related to the deleted phrase and these numerous underlining and strikethrough in the section "b" caused this misunderstanding this whole old section "i" was deleted and marked by a strikethrough and replaced by two new underlined paragraphs of section "b". The applicants state that no new matter was added.

Very respectfully,
